SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information required on the manifest (Forms 500 Line A and 500 B) must be full, 500 A and 500 B, so far as it relates to the aliens mentioned therein. The said Lists, should be made in accordance with the following special rules. The number of the column in the manifest to which these special instructions refer is followed, in parentheses, by all cases up to and including column 17, a description of the information to which it relates.

Column 3 (Age). — The entry of age in column 3 should be expressed in years; if months, the latter following only to those under 1 year of age.

Column 4 (Sex). — The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). — The entry in column 5 should be either M (married) or S (single). Widowed or D (divorced).

Column 6 (Calling or occupation). — The entry in column 6 should be the word or words which most precisely describe the occupation, trade or profession of each alien, as, for example, Farmer, Civil engineer, stationary engineer, locomotive engineer, laborer, servant, barber, tailor, seamstress, steel polisher, iron molder, wood turner, etc. Do not simply use the general designations, laborer, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown as follows:

A farmer is one who owns, hires, or rents a farm, whether he cultivates it himself or employs others to do so for him.

A farm laborer is one who works on a farm for wages paid by the month or year.

Steamship companies should make this distinction on the manifests, and immigrant inspectors should be made, if necessary, by inspectors and inquiry clerks during the progress of the examination of alien arrivals.

Column 7 (Able to read and write). — Column 7 is subdivided and the entry in each case should be either Yes or No. Yes—Yes (can read and write). Yes—No (can read but not write). No—No (can neither read nor write).

Column 8 (Nationality). — Column 8 should be construed to mean the country of which the immigrant is a citizen or subject (and not merely the country of last permanent residence).

Column 9 (race or people). — The entry in column 9 should show the race or people to which as given in lieu of country of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and inquiry clerks to avoid confusion. For instance, "France" appearing on a manifest does not necessarily mean "French" as to race or people, and similarly "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is born, for example, of Chinese parents might properly enter under the heading of United Kingdom as to country of nationality. In this connection the following classification is suggested:

The term "Cuban" refers to the Cuban people as a race.

"West Indian" refers to the people of the West Indies, other than Cuban, as a race.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information required on the manifest [illegible] and [illegible] is now practically the same as on Lists A and B, so far as [illegible] Special attention should, however, be paid to the following explanations. The headings of the columns on the manifest are given in their numerical order, and the explanations follow, in parentheses. In all cases [illegible] indicating briefly the answers to be made or entries.

Column 2 (Age).—The column of age is subdivided to insert in separate months the infant under one year of age.

Column 3 (Sex).—The entry in column 3 should be M (male) or F (female).

Column 4 (Married or single).—The entry in column 4 should be M (married) or S (single), Wd (widowed), or D (divorced).

Column 5 (Calling or occupation).—The object of column 5 should be to secure as nearly as possible the designation [illegible] of each person [illegible] Civil engineer, stationary engineer, locomotive engineer, [illegible] steel polisher, iron molder, wood turner, [illegible] tanner, or other indefinite designations.

A distinction should be made between laborers and those having some claim to an amount of money above [illegible] as follows:

A farmer is one who owns a farm, cultivates it himself, or employs others to do so.

A farm laborer is one who works on a farm for his board and wages.

Steamship companies should make this distinction on the manifests, and [illegible] should be made, if necessary, by inspectors and registry clerks during the primary examination of alien arrivals.

Columns 7 (Able to read and write).—Column 7 is subdivided, and the entry in each division should be either Yes—Yes (can read and write); Now—No (can neither read nor write); or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be answered to secure the country to which immigrant is a citizen or subject [illegible] not [illegible] race or people.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the [illegible] between race and nationality, and manifests should be carefully revised by the passage and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is [illegible] might properly come under the heading of [illegible] nationality. In this connection the following [illegible]

[illegible]

The term "Cuban" refers to the [illegible]

[illegible]

"West Indian" refers to the people [illegible]

[illegible]

Spanish-American refers to the people [illegible]

[illegible]

Mexican refers to the people [illegible]

[illegible]

The term "Porto Rican" refers to the people [illegible]

[illegible]

The term "Hebrew" is not a race or people, but [illegible]

[illegible]

Scotch, Irish, English, Welsh, and Cornish are races or peoples, and should not be used to indicate nationality.

SPECIAL INSTRUCTIONS FOR FILLING OUT MANIFESTS.

The information required on the manifest (Forms 500 A and 500 B now in use) is prescribed by law (act 500 A, and act [illegible]) and as it must be given in answer to specific questions, careful and positive, should be made to each question. The number of the column on the manifest to which the question refers is placed, in parentheses, in all cases of [illegible] preceding the question, thus indicating briefly the subject to be treated.

Column 1 (No.).—The numbers of aliens on manifest should be consecutive, commencing with 1 for each vessel, the latter applying only to those aboard a vessel at one time.

Column 3 (Whether married or single).—The entry in column 3 should be "married" or "single," as the case may be.

Column 4 (Age).—The entry in column 4 should be the age at last birthday, as, 25, 30, 40, 50, 60, 70, 80, 90, 100.

Column 5 (Occupation).—The entry in column 5 should be the occupation, trade, or profession of each alien, as, Clerk, engineer, carpenter, laborer, farmer, servant, tailor, tailoress, shoemaker, seamstress, printer, painter, miner, blacksmith, weaver, merchant, butcher, baker, machinist, cooper, gardener, farmer, or other industry designated.

A distinction should be made between laborers and persons working at a trade, and the amount of money shown to be possessed.

A farmer is one who owns a farm and cultivates it.

A farm laborer is one who works on a farm for a farmer who employs him.

Steamship companies should make it a distinct duty for the surgeons examining aliens to see that this question is properly answered, and the surgeon's certificate should be made, if necessary, by inspectors and examiners during the primary examination of alien arrivals.

Column 6 (Able to read and write).—Column 6 is subdivided, and the entry in each should be either Yes or No. Yes—can read and write. No—cannot read or write. Yes—No—can read but not write.

Column 7 (Nationality).—Column 8 should be answered by some definite statement as to which immigrant is a citizen or subject, and not merely as to the particular province or state from which he comes.

Column 9 (Race or people).—The entry in column 9 should be one of the races or peoples as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality. Many manifests should be carefully revised by inspectors and clerks to bring them in accordance with this. For instance, "France" appearing on a manifest does not necessarily indicate that the alien is of the race of people, and similarly "French" appearing on a manifest does not necessarily indicate that the alien is a native of France by nationality. An alien born in [illegible] might properly come [illegible] nationality. In this connection the [illegible]

Column 10 (Ability to read).—The entry in column 10 should be "yes" or "no," as the case may be, and should be made in accordance with the instructions given for column 6.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

[illegible]

The information required in the manifest [illegible] A and [illegible] between "an A and an B," [illegible] should be made in accordance with the following instructions. The number of the column in the manifest to which each instruction relates is printed in parentheses at the beginning of the instruction, and the instructions are numbered to correspond.

(1) Page. The number of the page on which a name is entered should be indicated in this column.

(2) No. The entry to be made is a number to indicate the [illegible] name.

(3) Last name. The surname or family name of each alien should be entered in this column.

(4) First name and middle initial. The given name in full of each alien should be entered in this column, and the middle initial, if he has one, should be added. If the alien has no middle name or initial, a cross mark (×) should be placed in this column.

(5) Age. Write the age of each alien in this column. If under 1 year, state the age in months, thus: "6 mos."

(6) Sex. Write "male" or "female" according to the sex of each alien.

(7) Married or single. Write "married" or "single" according to the fact.

(8) Calling or occupation. This column is to be used to show the calling or occupation of each alien. Every effort should be made to ascertain definitely what each alien can do, and the answer should be specific. Such entries as "laborer," "servant," "farmer," "none," "housework," or "domestic service" are indefinite and unsatisfactory, and should be avoided. Entries of "laborer" should be specific, as "farm laborer," "coal miner," "stone mason," "general laborer," etc. Where a person has been employed at a certain trade, but is not actually employed at the time of sailing, the entry should be "carpenter, formerly," or "clerk, formerly," or other appropriate designation.

A distinction should be made between "skilled" and "unskilled" labor, and in the case of laborers the general character of work performed should be specified, as "agricultural laborer," "mason," "bricklayer," "plasterer," "engineer," "machinist," "miner," "driller," "blacksmith," "tailor," "tailoress," "dressmaker," "weaver," "cotton mill operative," "iron worker," "steel worker," "boilermaker," "shoemaker," "cabinetmaker," "carpenter," "painter," "glazier," "paperhanger," "plumber," "steamfitter," "gasfitter," "locksmith," "butcher," "baker," "cook," "waiter," "barber," "clerk," "bookkeeper," "stenographer," "typewriter," "salesman," "merchant," "peddler," "hostler," "teamster," "driver," "chauffeur," "porter," "hotelkeeper," "saloonkeeper," "bartender," "gardener," "florist," "nurseryman," "lumberman," "sailor," "fisherman," "miller," "engineer," "fireman," "conductor," "brakeman," "railroad laborer," "railroad contractor," "clergyman," "priest," "rabbi," "lawyer," "physician," "surgeon," "trained nurse," "midwife," "dentist," "veterinary surgeon," "actor," "actress," "artist," "author," "musician," "professor," "teacher," "engraver," "electrician," "electrical engineer," "civil engineer," "mining engineer," "architect," "chemist," "draftsman," "inventor," "manufacturer," "editor," "reporter," "publisher," "soldier," "sailor," "scientist," "student," "servant," "housekeeper," "housework," "no occupation," or other definite designation.

A distinction should be made between "skilled" and "unskilled" labor, and in the case of laborers the general character of work performed should be specified, as "agricultural laborer," "mason," "bricklayer," "plasterer," "engineer," "machinist," "miner," "driller," "blacksmith," "tailor," "tailoress," "dressmaker," "weaver," "cotton mill operative," "iron worker," "steel worker," "boilermaker," "shoemaker," "cabinetmaker," "carpenter," "painter," "glazier," "paperhanger," "plumber," "steamfitter," "gasfitter," "locksmith," "butcher," "baker," "cook," "waiter," "barber," "clerk," "bookkeeper," "stenographer," "typewriter," "salesman," "merchant," "peddler," "hostler," "teamster," "driver," "chauffeur," "porter," "hotelkeeper," "saloonkeeper," "bartender," "gardener," "florist," "nurseryman," "lumberman," "sailor," "fisherman," "miller," "engineer," "fireman," "conductor," "brakeman," "railroad laborer," "railroad contractor," "clergyman," "priest," "rabbi," "lawyer," "physician," "surgeon," "trained nurse," "midwife," "dentist," "veterinary surgeon," "actor," "actress," "artist," "author," "musician," "professor," "teacher," "engraver," "electrician," "electrical engineer," "civil engineer," "mining engineer," "architect," "chemist," "draftsman," "inventor," "manufacturer," "editor," "reporter," "publisher," "soldier," "sailor," "scientist," "student," "servant," "housekeeper," "housework," "no occupation," or other definite designation.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully reviewed by supervising officers to see that such distinction is observed. For instance, "France" appearing on a manifest sheet as country of birth is likely to mean race or people, and similarly, French" appearing as a nationality is not infrequently meant to mean "France" by nationality. An alien who is born [illegible] might properly come under the heading of [illegible] nationality. In like manner [illegible] nationality.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS RELATING TO LIST MANIFESTS.

The information required on the manifest forms (Form 500 A and 1500 B, new numbers, and 500 A and 500 B, old numbers) relating to aliens, including those in transit and tourists, should be made in accordance with the following specifications. The number of the column on the manifest to which these special instructions and is followed, in parentheses, is indicated, and the corresponding column is, by a descriptive title indicating briefly the subject to which it relates.

Column 7 (Age).—The return of age for infants should be expressed in years or months, the latter preferably for those under 1 year of age.

Column 8 (Sex).—The entries in column 8 should be either M (male) or F (female).

Column 9 (Married or single).—The entries in column 9 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 10 (Calling or occupation).—It is necessary to secure a classification as accurately as possible of the occupation, trade, or profession of each alien arrived, as for example: Civil engineer, stationary engineer, locomotive engineer, marine engineer, bridge builder, steel polisher, frame maker, wood turner, and the like, rather than the more general terms, "engineer," or other indefinite designations.

A distinction should be made between *farmer* and *farm laborer*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either his own or others.

A farm laborer is one who works upon a farm for the man who operates it.

Steamship companies should make the entries on the manifests and corrections should be made, if necessary, by inspectors and not by clerks during the personal examination of alien arrivals.

Column 11 (Able to read and write).—Column 11 includes aliens 14 years of age and over, and the entries therein should be either Yes—Yes can read and write; No—No can neither read nor write; or Yes—No can read but not write.

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject, and not country of last permanent residence.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien arrivals.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised in respect to such entries in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly "French," appearing on a manifest does not necessarily mean "France" by nationality. An alien born in Italy, Germany, or Hebrew by race might properly come under the heading "United Kingdom or any other country by nationality. In this connection the following instructions should be specially observed:

CUBAN.

The term "Cuban" refers to the native people of Cuba, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba, not Negroes.

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Africa or the Islands of the West Indies. North or South American Europe or Africa. Any mixture of appearance indicative of admixture of the blood of the black race constitutes a Negro.

ITALIAN (NORTH).

The people who are native to the basin of the Rivers Po and Adige, the departments of Piedmont, Lombardy, Venetia and Emilia, and those Italians who are residing in Italy, Switzerland, Austria-Hungary, or Africa, are classed and enumerated as "Italian (north)." Most of these people speak a Gallic dialect or the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the Rivers Po and Adige, i. e., compartimenti of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants should be classed as "Italian, south."

Column 10 (Last residence).—The entry in column 10 should show the country, city or town of last permanent residence, instead of the place from or by which.

Column 11 (Final destination).—The entry in column 11 should show definitely the place, city or town of final destination.

Column 12 (Whether having a ticket to such final destination).—The entries in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, mother, relative, friend, steamship company, etc.

Column 14 (Whether in possession of $50 and if less how much).—The entry in column 14 should give in each case individual or family cash amounts of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States, and if so, when and where).—The entries in column 15 should show whether or not Yes or No, in the United States before; and if so, the year or period of years, and place, as, 1901 N. Y., Philadelphia.

Column 16 (Going to join relative or friend, and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 17 to 35.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.
